MEETING: TUESDAY, APRIL 4, 2017

A REMINDER, YOUR CURRENT MEMBERSHIP STARTED FEBRUARY 1. The combination to the lock for the range and pond has been changed to reflect the number that is on the reverse side of your current membership badge.

The Annual Game Dinner was held on Saturday, March 25th. This is the #1 fund raiser for our club. It was a tremendous success. We thank all of our members that helped make this the most successful event ever. Plan to be there next year.

- The indoor pellet league continues to meet on Wednesday's at 3pm in the basement. Soon they will plan on shooting outside when they start their .22 leagues. Contact Dave Polonsky for information at davep@tellink.net.
- The Family Archery League will continue for a few more weeks. Then the new outdoor targets will be hung for outside shooting for your enjoyment.
- The club clothing director has a complete inventory of shirts, hats and sweatshirts available in all sizes. And, he can order any jacket in your size.
- We currently have 21 names on the wait list. We will be bringing in 6 new members this coming Tuesday at the general meeting starting at 7pm. We will be filled to capacity again by the end of May. We are capped at 300.
- We will be holding a one day Field Day Hunters Ed class on Saturday, April 22 here at Horse Pond Fish & Game Club. One needs to have completed an on-line program prior to registering for this HE class. This will be the only Hunters Ed class to be held here at Horse Pond this spring. Turkey season starts in May. Will you be ready?
- **PLEASE REMEMBER**, we are a **TEAM**, please make all the right choices all the time. Treat all members with the upmost courtesy and respect that we all want and deserve. Participate in club activities and attend meetings.
- Please welcome all new members, as you were when you first joined HP.
