A REMINDER, YOUR CURRENT MEMBERSHIP STARTED FEBRUARY 1. The combination to the lock for the range and pond has been changed to reflect the number that is on the back of your current 2018 membership badge.

The Annual Game Dinner was held on Saturday, March 24. This is our #1 fund raiser for the club. We thank all of our members who help make this a very successful event each year. Plan to be there next year and make it even better.

Starting with the Month of March, NO PARKING will be allowed from adjacent to the kitchen door and over to in front of the trash dumpster. We need this area to be kept clear at all times so that the trash can be picked up. Thank you.

Starting this year, the NEW RULE at the range is NO SMOKING. If you need to smoke you must be in your truck or car. NO EXCEPTIONS! This is a must.

REMINDERS FOR ALL MEMBERS:

- **The Family Archery Program continues to meet every Wednesday in the basement starting at 7pm. All members are invited to participate.**
- **The Shooting Sports ended their pellet program for the season. They will start their outdoor .22 rim-fire league on Monday, April 9th at 3pm.**
- **We have plenty of openings for new members. All new members still need a sponsor, a conceal license to carry and a willingness to participate.**
- **We are planning on sponsoring our Annual Fishing Derby on Saturday, April 28. All member's children are invited between the ages of 5 and 12.**
- **PLEASE REMEMBER, we are a team. Make all the right choices all of the time. Treat all members with courtesy and respect that we all deserve. Participate in club activities, attend meetings as often as you can and welcome and help all new members when they need help and advice. YOU WILL NEVER HAVE THIS DAY AGAIN, MAKE IT COUNT!**
