**A REMINDER, YOUR CURRENT MEMBERSHIP STARTED ON FEB. 1.**

The combination to the lock for the range and pond has been changed to reflect the new number that is on the back of your current 2019 membership badge.

The annual game dinner will be held on Saturday, April 6. This is our #1 fund raiser of the year. All tickets to the game dinner have been sold out once again. All meat donators will be guaranteed a game dinner ticket to purchase. Ken Timpe will be available to receive your meat donations at the club on Wednesday, April 3<sup>rd</sup>. So bring in all of your game meat that you can spare on this date to help us.

This year we started a new program to entice more members to attend meetings by having a name to be drawn once every 4 months that is picked randomly throughout the year. That member would receive a free yearly membership. At last month's meeting John Harrington's name was drawn but he was not in attendance, he is normally there at all meetings. Best of luck to all next time.

#### **REMINDERS FOR ALL MEMBERS:**

- The Family Archery Program continues to meet every Wednesday in the basement starting at 7pm. This program will end on Wednesday, April 10.
- We have plenty of openings for new members. All new members do need a sponsor, a conceal license to carry and a willingness to participate. Consider sponsoring a new member to Horse Pond Fish & Game Club.
- The Hunters Ed spring program scheduled for Saturday, April 13 is currently completely full. This is the only class to be held this spring. If you need to take a hunters ed class, see Ray Smith.
- Currently we are planning on sponsoring our Annual Fishing Derby on Saturday, April 27 if the weather cooperates with us. The pond is still frozen and extremely wet all around the edges. We will monitor it closely.

**REMEMBER, YOU WILL NEVER HAVE THIS DAY AGAIN!**
