- We have plenty of openings for new members. All new members need a sponsor, a license to carry conceal in NH and a willingness to participate. We just added 4 more new members at our B.O.D meeting March 29.
- \* The Range is open as of Tuesday, March 22. Your new combo on the back of your membership badge is to be used for the gate to the Range. You must wear your badge at all times while at the range.
- We will be conducting a Hunters Education Field Day on Sat. April 23. The range will be closed during the day for Hunters Education students.

It gives me great pleasure to announce that both Keith Fredette and Butch Timpe were elected to the status of LIFE MEMBERSHIP at our BOD meeting held on Tuesday, March 2. Both Keith and Butch have served Horse Pond Fish & Game Club for over 20 years with exceptional merit.
