BE SAFE!

Welcome back and we hope everyone is having a safe, fun and enjoyable summer.

As you enter back into the club house you will notice that the floor has been completely refinished and waxed to a point that you will be "dazzled" by the shine. Thanks to Earl and his team of Bob and Frank Daley and Steve Wright.

Please remember to familiarize yourself with the Range Rules prior to going down to the range to shoot. All members must wear their 2018 membership badge and their quest must wear the Family Pass badge. Members CANNOT shoot at the same time as their quest is shooting. This rule is steadfast!

REMINDERS FOR ALL MEMBERS:

- The outdoor archery targets are there for you and your quest to enjoy.
- **SHOOTING SPORTS**, the .22 rim-fire pistol league shoot every Monday starting at 2 pm. the range is closed on Monday afternoons to all members except those that are on the shooting sports pistol league.
- We have plenty of openings for new members. All new members do need a sponsor that is member of the club, a conceal license to carry and a willingness to participate in all club activities including meetings.
- Earl Gelineau has installed an extra hand railing to the basement for extra support and safety for members to go downstairs to the basement.
- Saturday, August 18 will be the last Hunters Education class for the year at Horse Pond Fish & Game Club. It will be a 1 day Field Day for the on-line students that took the on-line program for certification. The Range will be closed to all shooting on Saturday, August 18 until 4 pm.

Time is the one thing we can never get back-so seize every moment!

Ray Smith, President
