MEETING: TUESDAY, AUGUST 2, 2016

Welcome back and we hope everyone is having a safe, fun and enjoyable summer.

This is the very first meeting that is being held at our new time slot of 7 pm. Remember, if you can't make the new time come anyway even if you are a little late. This will be the new time for all meetings going forward, both BOD and General meetings. This should be to the satisfaction of the majority of members because so many of you requested this change of times for meetings in the past.

- The Annual Fishing Derby that was to be held on Saturday, July 11 had to be cancelled due to the lack of water in the pond. This was the first time that I had to cancel the Derby in 12 years. We have a serious water problem. The drought is having an effect on all ponds, lakes and streams.
- Please be sure to familiarize yourself with the rules and regulations of the Rifle Range. Current membership badges **MUST** be worn at all times. And, the Family Membership Badge must be worn by your family guests. You cannot shoot at the same time as your guest, you must supervise them. You are 100% responsible for your guest following the rules.
- The Shooting Sports has been shooting outdoors with the .22 pistol league. Shooters can start any time after 3 pm on Wednesday's. The range is closed to all other shooters except for the shooting sports program team.
- All of the berms at the range have been repaired or replaced and are ready for fall sighting in of muzzleloaders, rifles and shotguns. Please pick up your brass and take down all of your paper targets and discard the trash in the proper barrels. Let's all help in keeping HPF&GC litter free.
- Our Clothing Director, Jack McPherson, has a complete supply of shirts and hats. Order your clothing now for the fall hunting season.
- Dennis Dean tells me that we have openings for 6 new members. Remember, we are capped at 300 members.
