MEETING: TUESDAY, AUGUST 1, 2017

Welcome back and we hope everyone is having a safe, fun and enjoyable summer.

As you enter back into the club house you will notice that all of the medal chairs have been replaced with straight leg chairs with padded seats and backs. And, the color scheme goes along with the outdoors and Horse Pond Fish & Game Club. Thanks to the several members that helped unload and set up the new chairs.

Please remember that from this point forward donations for supper should be a minimum of \$5. We need to help defray the high cost of paying for food increases.

Please be sure to familiarize yourself with the rules and regulations of the Rifle Range. Current membership badges **MUST** be worn at all times when at the range. Family Membership badges must be worn by your family guests. You cannot shoot at the same time as your guest you must supervise your guest.

- The SHOOTING SPORTS league has been shooting on Wednesday's afternoons and will continue for several more weeks.
- The club clothing director has a complete inventory of shirts, hats and sweatshirts available in all sizes. And, he can order any jacket in your size. Now is the time to put in your order for a fall shirt/jacket for hunting.
- Horse Pond Fish & Game Club has 297 members. We will be bringing in 1 new member this coming Tuesday at the general meeting starting at 7pm. We have openings for 3 more members and then we will be capped again.
- Saturday, August 19 will be the last Hunters Education class for the year at Horse Pond Fish & Game Club. It will be a 1 day Field Day for the Online Students that took the online program for certification.
