A REMINDER, YOUR CURRENT MEMBERSHIP STARTED ON FEB. 1. ALL MEMBERS MUST WEAR THEIR CURRENT MEMBERSHIP BADGE AT ALL TIMES WHEN YOU ARE AT THE RANGE. NO EXCEPTIONS!

WELCOME back and we hope everyone had a safe, fun and enjoyable summer.

This year we started a new program to entice more members to attend meetings by having a name to be drawn once every 4 months that is picked randomly throughout the year. That member will receive a free yearly membership for 2020. Please attend as many meetings that you can fit into your schedule.

REMINDERS FOR ALL MEMBERS:

- **The Shooting Sports Program meet every Monday starting at 2pm. No other members are allowed to shoot on Monday afternoons. This time and day is set aside for the shooters participating in the shooting leagues.**
- **We have plenty of openings for new members. All new members do need a sponsor, a conceal license to carry and a willingness to participate. Consider sponsoring a new member to Horse Pond Fish & Game Club.**
- **Remember, there is no smoking at the range. And, only paper targets are to be used to shoot at. No plastic balls and no balloons, and please pick up all of your brass and pick up your paper targets and discard in the barrels.**
- **Saturday, August 17 will be the last Hunters Ed. class for Horse Pond Fish & Game Club for the year. It will be a one day Field Day for on-line students.**
- **The Rifle Range will be closed on Saturday, August 17 until 3 pm.**
- **We will be installing two defibrillators in the future.**

TIME IS THE ONE THING THAT WE CAN NEVER GET BACK!
