- Shooting Sports started their indoor pellet league. All members are invited to join and become better shooters and have some good, competitive fun.
- Our clothing director wants all members to know that he just received a complete supply of hats, shirts and hoodies. He also has a complete supply of winter goods to purchase while supplies last. See Jack McPherson.
- The new MEMBER of the YEAR will be announced at our December meeting. Dave Flint was the Member of the Year for 2015.
- We will once again make a donation to St. Jude Children Hospital for Cancer Research for children. 100% of the money goes to kids & research.
- The SHED has been finished and all wheel goods have been moved into the new shed. This will help us to be more self-sufficient as a club.
