Nominations for officers and 3 directors took place at last month's general meeting. All sitting officers were nominated to continue in their current positions. Earl Gelineau, Jack McPherson and Pete Levesque seek reelection to serve for three more years. They were all nominated to serve once again for the year 2020.

The Red Stag Hunt will be held on December 5 in Maine. The winner's name was drawn at random. The winner was Gary Charbonneau. Please remember that the kitchen needs any wild meat that you can spare for our Annual Game Dinner to be held on Saturday, April 4, 2020. Plan to buy tickets early again this year.

This year we started a new program to entice more members to attend meetings by having a name to be drawn once every 4 months that is picked randomly throughout the year. That member would receive a free yearly membership.

REMINDERS FOR ALL MEMBERS:

- **The Shooting Sports started their indoor pellet program last Monday.**
- **We have plenty of openings for new members. All new members do need a sponsor, a conceal license to carry and a willingness to participate. Consider sponsoring a new member to Horse Pond Fish & Game Club.**
- **Once again we made a donation on be-half of Horse Pond Fish & Game Club to St. Jude Children's Hospital for Cancer Research.**
- **All members may start to pay their annual dues at this December meeting. We will not be sending any badges in the mail this coming year for any reason. You will need to attend a meeting to pick up your new badge.**

REMEMBER, YOU WILL NEVER HAVE THIS DAY AGAIN

**Ray Smith, President
December 2019**
