All sitting officers were re-elected to serve again in 2020. Earl Gelineau, Jack McPherson and Pete Levesque were elected to serve 3 more years on the board.

The Red Stag Hunt was held on December 5 in Maine. The hunt was very successful and we will be having one full red stag for our Annual Game Dinner to be held on Saturday, April 4, 2020. Plan to buy tickets early again this year.

This year we started a new program to entice more members to attend meetings by having a name to be drawn once every 4 months that is picked randomly throughout the year. That member would receive a free yearly membership .

#### **REMINDERS FOR ALL MEMBERS:**

- The Shooting Sports started their indoor pellet program on Monday, December 10. To date we have 20 shooters participating in the league.
- We have plenty of openings for new members. All new members do need a sponsor, a conceal license to carry and a willingness to participate. Consider sponsoring a new member to Horse Pond Fish & Game Club.
- Once again we made a donation on behalf of Horse Pond Fish & Game Club to St. Jude Children's Hospital for Cancer Research.
- The member of the year will be announced at the general meeting.
- Wednesday evenings are devoted to archery in the basement.

**WE WISH EVERYONE A WONDERFUL & HEALTHY NEW YEAR!**
