MEETING: TUESDAY, JUNE 7, 2016

You must wear your current 2016 membership badge to the range at all times when you plan on shooting. There are no EXCEPTIONS to this rule. Also, when you bring a family member to the range, the family member must wear the Red Family membership badge at all times when they are at the range. And, again, the family member cannot be shooting at the same time as the member. Only one family member at a time is allowed to accompany a member. The member is totally responsible for their guest & must supervise them 100% of the time.

- Starting with the August general meeting our club meetings will start at 7 pm. That means that both the general meetings and the Board of Directors meetings will both start at 7 pm. Suppers will start to be served at 5:30pm. The BOD listened to your many comments and suggestions and acted accordingly for the good of all. This is what the majority of members wanted and requested over the last several years. Now you got it.
- The Family Archery League has finished their indoor program. The outdoor targets have been hung for all archers to use with practice points and at their pleasure. Also, you can shoot at these targets with crossbows.
- The Shooting Sports has been shooting outdoors with the .22 rifle league. Shooters can start any time after 3 pm on Wednesday's. The range is closed to all other shooters except for the shooting sports program team.
- We will be sponsoring our 11th Annual Fishing Derby on Saturday, July 9. You need to register "kids" with Parks & Recreation @ 589-3370. I hope that we have enough water in the pond so that all kids will enjoy the day.
- Our Clothing Director, Jack McPherson, has a complete supply of shirts and hats. He can order any size hoodie or jacket that you may need.
- This is our last general meeting until Tuesday, August 2nd. We do not meet in the month of July. July is considered a vacation month for all members.

EVERONE HAVE A SAFE AND HAPPY SUMMER! See you in the fall.
