MEETING: TUESDAY, JUNE 6, 2017

YOU must wear your current 2017 membership badge at the range at all times when you plan on shooting. Also, when you bring a family member to the range, the family member must wear the family membership badge at all times also. Only one family member at a time is allowed to accompany a member.

THERE ARE NO EXCEPTIONS TO THIS RULE!!

The spring clean-up that was held on Saturday, May 20 went extremely well. We were able to accomplish all the priorities that were set by the board to get done. We thank the 19 members that showed up to help with all of the tasks.

- Shooting Sports have been shooting the .22 league. Contact Dave Polonsky for information on how to join at davep@tellink.net.
- The Family Archery League has finished their indoor program. The outdoor targets have been hung along with a new cross bow target.
- The club clothing director has a complete inventory of shirts, hats and sweatshirts available in all sizes. And, he can order any jacket in your size.
- Horse Pond Fish & Game Club has 296 members. We will be bringing in 3 new members this coming Tuesday at the general meeting starting at 7pm. We have openings for 4 more members and then we will be capped again.
- Starting with the August meeting dinners will have a minimum donation of \$5 for all members. It is costing us over \$300 to provide the meal to you. The new commercial freezers have been installed and running great.
- **PLEASE REMEMBER**, this is our last general meeting until August 1. We do not meet in the month of July. July is considered a vacation month.

EVERYONE HAVE A SAFE AND HAPPY SUMMER!
