A REMINDER, YOUR CURRENT MEMBERSHIP STARTED ON FEB. 1. ALL MEMBERS MUST WEAR THEIR CURRENT MEMBERSHIP BADGE AT ALL TIMES WHEN YOU ARE AT THE RANGE. NO EXCEPTIONS!

This Tuesday's will be the last meeting for the summer. Our next general meeting will be held on Tuesday, August 6. We sincerely hope that every member truly enjoys the summer with family and friends. SEE YOU ON AUGUST 6 @5:30pm.

This year we started a new program to entice more members to attend meetings by having a name to be drawn once every 4 months that is picked randomly throughout the year. That member will receive a free yearly membership for 2020. Both John Harrington and Steve Warner were not in attendance when their names were drawn. Better luck to all going forward for the remaining months.

REMINDERS FOR ALL MEMBERS:

- **The Shooting Sports Program meet every Monday starting at 2pm. No other members are allowed to shoot on Monday afternoons. This time and day is set aside for the shooters participating in the shooting leagues.**
- **We have plenty of openings for new members. All new members do need a sponsor, a conceal license to carry and a willingness to participate. Consider sponsoring a new member to Horse Pond Fish & Game Club.**
- **Remember, there is no smoking at the range. And, only paper targets are to be used to shoot at. No plastic balls and no balloons, and please pick up all of your brass and pick up your paper targets and discard in the barrels.**
- **We have installed two more handi-cap signs at the front of the clubhouse. An extra hand rail has been installed for going down stairs to the basement. And, we will be installing two defibrillators during the summer.**

**TIME IS THE ONE THING THAT WE CAN NEVER GET BACK!
EVERYONE HAVE A SAFE AND HAPPY SUMMER!**
