A REMINDER, YOUR CURRENT MEMBERSHIP STARTED FEBRUARY 1. The combination to the lock for the range and pond has been changed to reflect the number that is on the back of your current 2018 membership badge.

The Annual Game Dinner will be held on Saturday, March 24. This is the #1 fund raiser for our club. All tickets to the game dinner have been sold out once again.

Starting with the Month of March, NO PARKING will be allowed from adjacent to the kitchen door and over to in front of the trash dumpster. We need this area to be kept clear at all times so that the trash can be picked up. Thank you.

SHOOTING SPORTS will be ending their indoor pellet leagues by the end of March. Then they will be going outside to start the .22 rim-fire leagues.

REMINDERS FOR ALL MEMBERS:

- **The Family Archery Program continues to meet every Thursday in the basement starting at 7pm. All members are invited to participate.**
- **We once we again made a sizable donation to St. Jude Children's Hospital for Cancer Research for children. 100% of the money goes to research.**
- **We have plenty of openings for new members. All new members still need a sponsor, a conceal license to carry and a willingness to participate.**
- **The hunter's education spring class will be held on Saturday, April 21. The class is currently 100% full. See Ray Smith for further information. This is the only class to be held this spring at Horse Pond Fish & G C.**
- **PLEASE REMEMBER, we are a team. Make all the right choices all of the time. Treat all members with courtesy and respect that we all deserve. Participate in club activities, attend meetings as often as you can and welcome and help all new members when they need help and advice. Time is the one thing we can never get back-seize the moment!**
