A REMINDER, YOUR 2020 MEMBERSHIP STARTED ON FEBRUARY 1. The combination to the lock for the range and pond has been changed to reflect the new number that is on the back of your current 2020 membership badge.

All sitting officers were re-elected to serve again in 2020. Earl Gelinou, Jack McPherson and Pete Levesque were elected to serve 3 more years on the board.

The Annual Game Dinner will be held on Saturday, April 4, 2020. This is our #1 fund raiser of the year. There are a few tickets still available. All meat donors will be guaranteed a single game dinner ticket to purchase. We are still accepting meat donations for the game dinner, small or large portions accepted.

Last year we started a new program to entice more members to attend meetings by having a name to be drawn once every 4 months that is picked randomly throughout the year. That member will receive a free yearly membership .

REMINDERS FOR ALL MEMBERS:

- The Shooting Sports started their indoor pellet program on Monday, December 10. To date we have 20 shooters participating in the league. The league starts at 2pm and continues up through 7pm.
- We have plenty of openings for new members. All new members do need a sponsor, a conceal license to carry and a willingness to participate. Consider sponsoring a new member to Horse Pond Fish & Game Club.
- The Hunters Ed spring program will be held on Saturday, April 18. The Range will be closed for the day so Hunter Ed students can participate in safe shooting at the range and in qualifying for certification.
- The member of the year will be announced at the general meeting on Tuesday, March 3. Who will take the honors for 2019?
- Wednesday evenings are devoted and set aside for Family Archery in the basement. Archers can go down and shoot at any time on Wednesdays.
