MEETING: TUESDAY, MAY 3, 2016

The combination to the lock for the range and pond has been changed to reflect the number that is on the reverse side of your current 2016 membership badge. You must wear your new 2016 membership badge to the range at all times when you plan on shooting at the range. There are no EXCEPTIONS to this rule. Also, when you bring a family member to the range, the family member must wear a Red Family membership badge at all times when they are at the range. And, again the family member cannot be shooting at the same time as the member. Only one family member at a time is allowed to accompany a member.

- Starting with the August general meeting our club meetings will start at 7 pm. Suppers will start to be served at 5:30pm. The BOD listened to your many comments and suggestions and acted accordingly for the good of all.
- The Family Archery League has finished their indoor program. The outdoor targets will be hung shortly for all archers to use with practice points and at their pleasure.
- The Shooting Sports has started shooting outdoors with the .22 rifle league. Shooters can start any time after 3 pm on Wednesday's. The range is closed to all other shooters except for the shooting sports program team.
- Saturday, June 4 will be our club clean-up day. All club committees will gather to do our yearly cleanup of the grounds, range, archery course, pond and facilities. Please sign up with a committee director on May 3 rd.
- Our Clothing Director, Jack McPherson, has a complete supply of shirts and hats. He can order any size hoodie or jacket that you may need.
- We currently have 16 openings left for new members prior to wait listing.

Neverett Smith passed away this past April. Neverett joined Horse Pond Fish & Game Club in 2006. Neverett had been a loyal member of our club for 10 years.
