MEETING: TUESDAY, NOVEMBER 1, 2016

As a reminder, we capped our membership at 300 on September 1, 2014. All new applicants for membership to Horse Pond Fish & Game Club will be put on a wait list. This is the first time in our history that we have actually reached 300.

Nominations for officers and 3 directors will take place at our general meeting this Tuesday. All current officers would like to continue in their current position and all seek re-election. Skip Jacques, Ken Timpe and Rich Lanoue are seeking re-election to the board of directors. We all need your support for the continued success, future and development of Horse Pond Fish & Game Club.

Please be sure that all guests stop and read the posted RANGE RULES prior to approaching the platform. Members are the supervisors for their guests and they cannot shoot at the same time as their family guest. Remember, this is a must.
