BE SAFE!

Please be sure to vote today prior to attending our general meeting. Your one vote is vital to all of us today and in going forward in our communities.

Nominations for officers and 3 directors will take place at the general meeting. All sitting officers would like to continue in their current positions. Earl Gelineau Jack McPherson and Pete Levesque seek reelection to serve for three more years.

The Red Stag Hunt will be held on December 5 in Maine. The winner's name will be drawn at the meeting tonight. This will be the last night to purchase a ticket. Please remember that the kitchen needs any wild meat that you can spare for our Annual Game Dinner to be held on Saturday, April 4, 2020.

This year we started a new program to intice more members to attend meetings by having a name to be drawn once every 4 months that is picked randomly throught out the year. That member would receive a free yearly membership .

REMINDERS FOR ALL MEMBERS:

- The Shooting Sports will start their indoor pellett program next Monday.
- We have plenty of openings for new members. All new members do need a sponsor, a conceal license to carry and a willingness to participate. Consider sponsoring a new member to Horse Pond Fish & Game Club.
- Please be sure to follow all the rules for the Rifle Range. Be sure to supervise your family guest at all times. Please be sure to follow all posted times for shooting at the range and check the times for darkness.
- All members may start to pay their annual dues at the December meeting. We will not be sending any badges in the mail this coming year for any reason. You will need to attend a meeting to pick up your new badge.

REMEMBER, YOU WILL NEVER HAVE THIS DAY AGAIN!
