DIRECTORS COMMENTS

MEETING: TUESDAY, OCTOBER 6, 2015

IT'S OUR CLUB! IT'S YOUR CLUB! IT'S MY CLUB!

We need to remind all members that before you go down to the range be sure that you are familiar with all of the Range Rules. All members **MUST** wear and display their 2015 membership badge and your family guest must be wearing the **RED** family pass badge. Remember, as the member you must supervise the guest. As we move toward our deer, turkey and waterfowl hunting seasons we remind everyone that the range will be very busy. Be sure to follow the **RANGE RULES 100%** of the time when you are there:

- 1-Wear and display your current membership badge at all times!**
- 2-Always control the muzzle of your gun or rifle down range!**
- 3-Always respect other members and their guests!**
- 4-Alcohol is never permitted at the range or pond!**
- 5-Remove all paper targets and spent brass when finished shooting!**
- 6-Keep the range gate opened when members are at the range!**
- 7-Close and lock the gate when you leave, if you are the last one shooting!**

- The Shooting Sports are currently shooting center fire handguns. They are still active on Wednesday afternoons after 3 pm.**
- The outdoor archery targets are still available for all members. We now have targets that can be used with broad heads. Please retrieve all arrows and any equipment that you bring with you to shoot. ENJOY!**
- Our club clothing director wants to remind all members that you need to let him know if you want to order hoodies or jackets! He needs to put his order in this month for arrival in time for fall and cold weather.**
- All of the berms have been repaired or replaced and ready for fall sighting in of muzzleloaders and rifles. Bring your own pin on paper targets.**
- We currently have 6 openings left for new members prior to wait listing. Remember all new members must have a sponsor from our membership.**
