BE SAFE!

It has been 1 year since we eliminated the CAP RULE and opened up our membership to give more access to the many people vying for membership. As of now, we are open to all new members with proper sponsors.

We need to make sure that ALL members and their guests are familiar with our Range Rules. It is quite evident that some of our new members and their sponsors continue to be unfamiliar with all the rules that govern the use of the RANGE. If you need help in understanding any of the Rules of the RANGE, please ask.

As we move forward toward the fall hunting season we remind everyone that the range will become very active. Be sure to follow all of the Range Rules! Current membership badges must be worn with the lanyard around your neck! Family Membership (RED) badges must be worn by your family guest. No exceptions! You as a member cannot shoot if your guest is shooting, you must supervise.

REMINDERS FOR ALL MEMBERS:

- **WEAR** and display your current membership badge at all times.
- **ALWAYS** control the muzzle of your firearm down range.
- **ALWAYS** respect other members and their guests at all times.
- **ALCOHOL** and **SMOKING** is not permitted at or near the RANGE.
- **REMOVE** your paper targets and spent brass when finished shooting.
- **KEEP** the range gate opened when members are at the RANGE.
- **YOU** must **CLOSE** and **LOCK** the gate when the last member leaves

The **SHOOTING SPORTS** are currently shooting center fire pistol. They start their activities at 2 pm on Mondays. Only members can shoot on **MONDAYS**.

These are the **RUT** days that you need to be in the woods if you are a deer hunter: October 28; November 4; November 11; November 17 & November 24.

GOOD HUNTING and GOOD LUCK!

REMEMBER, YOU WILL NEVER HAVE THIS DAY AGAIN!
