DIRECTORS COMMENTS

SAFETY IS OUR #1 PRIORITY

PLEASE check the sign on the gate to see whether the Range is open, it could change daily.

Practice safe muzzle control at all times. You must pick up your brass and take down your paper targets, ALWAYS!

MEETING: TUESDAY, OCTOBER 1, 2019

ALL MEMBERS MUST WEAR THEIR CURRENT MEMBERSHIP BADGE AT ALL TIMES WHEN YOU ARE AT THE RANGE. NO EXCEPTIONS!

We need to make sure that ALL members and their guests are familiar with our Range Rules. It is of the utmost importance that everyone practice safe and responsible gun safety. If you need any help in understanding any of the Range Rules please ask prior to going down to the range and shooting.

This year we started a new program to entice more members to attend meetings by having a name to be drawn once every 4 months that is picked randomly throughout the year. That member will receive a free yearly membership for 2020. Please attend as many meetings that you can fit into your schedule.

We are sponsoring a Red Stag Hunt for our fall fundraiser. Tickets are still available. The hunt will take place in Maine in December. See Ken Timpe.

REMINDERS FOR ALL MEMBERS:

- The Shooting Sports Program continue meet every Monday starting at 2pm. No other members are allowed to shoot on Monday afternoons. This time and day is set aside for the shooters participating in the shooting leagues. They are now shooting their center-fire handgun competition.
- The outdoor Archery targets are there for you and your guests to enjoy.
- Remember, there is no smoking at the range. And, only paper targets are to be used to shoot at. Please pick up all of your brass and pick up your paper targets and discard them in the barrels set aside for trash.
- We will be sponsoring the JROTC cadets at our club in the near future. This is just another way for us to reach out to the community and schools to show them that we are here to help promote safe handling of firearms.

We received several accolades from the city and the schools for our help in bringing this very important program forward for the JROTC .
