BE SAFE!

WELCOME TO HORSE POND FISH & GAME CLUB

Our web site: www.horsepond.com

MEETING: TUESDAY, SEPTEMBER 5, 2017

Welcome back and we hope everyone had a safe, fun and enjoyable summer. And, we hope everyone had a super Labor Day with family and friends.

As you enter back into the club house you will notice that all of the medal chairs have been replaced with straight leg chairs with padded seats and backs. And, the color scheme goes along with the outdoors and Horse Pond Fish & Game Club. Also, with keeping with our theme of always looking forward, we have switched out and installed LED lighting in the club house and the kitchen. We have officially gone "green" and we should reap the benefits for years to come.

As we move forward toward the fall hunting seasons we remind everyone that the range will become very active. Be sure to follow all of the **RANHE RULES!** Please be sure to familiarize yourself with the rules and regulations of the Rifle Range. Current membership badges **MUST** be worn at all times when at the range. Family Membership badges must be worn by your family guests. You cannot shoot at the same time as your guest you must supervise your guest.

- 1-Always control the muzzle of your gun/rifle down range.
- 2-Always respect other members and their guests.
- 3-Alcohol is never permitted at or near the range.
- 4-Remove your paper targets and spent brass when finished shooting.
- 5-Keep the range gate opened when members are at the range or pond.
- 6-You must be sure to close and lock the gate when the last member leaves.

- The **SHOOTING SPORTS** league has been shooting on Wednesday's afternoons and will continue for 4 more weeks.
- Now is the time to order your clothing needs for fall hunting.
- Horse Pond Fish & Game Club has 298 members. We will be bringing in 1 new member this coming Tuesday at the general meeting starting at 7pm. We have openings for 2 more members and then we will be capped again.
- The outside archery targets are hung for you to enjoy. Please do not use broad-heads on these targets and please retrieve all arrows.

EVERYONE HAVE A SAFE AND SUCCESSFUL HUNTING SEASON!

Ray Smith, President
SEPTEMBER 2017
