Welcome back and we hope everyone is had a safe, fun and enjoyable summer. And, we hope everyone had a super Labor Day with family and friends.

As you enter back into the club house you will notice that the floor has been completely refinished and waxed to a point that you will be "dazzled" by the shine. Thanks to Earl and his team of Bob and Frank Daley and Steve Wright.

As we move forward toward the fall hunting season we remind everyone that the range will become very active. Be sure to follow all of the Range Rules! Current membership badges must be worn with the lanyard around your neck! Family Membership (RED) badges must be worn by your family guest. No exceptions! You as a member cannot shoot if your guest is shooting, you must supervise.

#### **REMINDERS FOR ALL MEMBERS:**

- The outdoor ARCHERY targets are there for you and your quest to enjoy.
- SHOOTING SPORTS, the centerfire pistol league will start on Sept. 10. The range is closed to all other members as of 2 pm on Monday's.
