MEETING: TUESDAY, SEPTEMBER 3, 2019

ALL MEMBERS MUST WEAR THEIR CURRENT MEMBERSHIP BADGE AT ALL TIMES WHEN YOU ARE AT THE RANGE. NO EXCEPTIONS!

WELCOME back and we hope everyone had a safe, fun and enjoyable summer. And, we hope everyone had a super Labor Day with family and friends.

This year we started a new program to intice more members to attend meetings by having a name to be drawn once every 4 months that is picked randomly throught out the year. That member will receive a free yearly membership for 2020. Please attend as many meetings that you can fit into your schedule.

As we move forward toward the fall hunting season we remind everyone that the range will become very active. Please follow all range rules and regulations.

REMINDERS FOR ALL MEMBERS:

- **The Shooting Sports Program meet every Monday starting at 2pm. No other members are allowed to shoot on Monday afternoons. This time and day is set aside for the shooters participating in the shooting leagues.**
- **The outdoor Archery targets are there for you and your guests to enjoy.**
- **Remember, there is no smoking at the range. And, only paper targets are to be used to shoot at. Please pick up all of your brass and pick up your paper targets and dicard them in the barrels set aside for trash.**
- **We will be sponsoring the JROTC cadets at our club in the near future. This is just another way for us to reach out to the community and schools to show them that we are here to help promote safe handling of firearms.**

John Harrington was here at the last meeting and was rewarded when his name was pulled in the membership drawing. John won \$850 for just attending the regular general meeting. He gave back to the club \$300.

There are several paths to the top of the mountain, but only one view!
